Dear CORE Members:

On Friday, January 4, 2019, CORE Federal Credit Union will be closing its Morrisville office.

We worked hard to serve the Morrisville community and other parts of Madison County for the past nine years. Unfortunately, we were not able to draw business and support from a wide enough geographic radius around the office to make that branch sustainable, unlike our East Syracuse and North Syracuse offices, which continue to thrive.

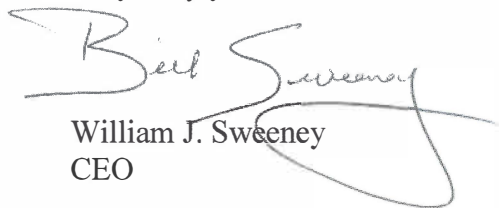

We remain proud of the support we have given to the Morrisville community over the years including many community grants and sponsorships, financial literacy programs, and college scholarships awarded to area students.

Going forward, although we will not have a physical presence in Morrisville, our vast array of online financial services will continue to allow our members in Madison County and elsewhere convenient access to our services.

More detailed information about the branch closing has gone out to members who opened their accounts at the Morrisville Office, but please feel free to call us if you have any questions.

Thank you for your continued support.

Very truly yours,

William J. Sweeney
